

# We Give Thanks

We would like to express our heartfelt thanks to everyone who supports us. With over 300 donkeys, horses, and mules in our care, we truly appreciate the help from the many individuals who enable us to fulfill the needs of our equine.

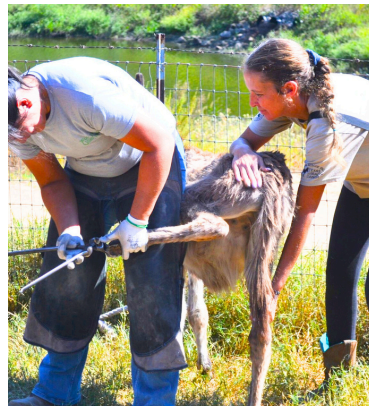

We deeply appreciate our devoted volunteers who give their time and effort, regardless of the weather. Their contributions include providing feed and water, cleaning stalls, and caring for the animals. They build bonds to ensure each equine feels loved and secure.

We are deeply grateful to the adopters who offer a lifelong haven to one or more of our equines. Their commitment to providing forever homes for deserving donkeys, horses, or mules is a vital part of what we are all about.

We are thankful for visitors who come to see what TMR is all about and what makes donkeys so special. Many of them come for a tour, develop a deep affection for our animals and become volunteers.

We truly appreciate our employees who are here from early morning to late at night not only caring for our animals but also cleaning and maintaining our facilities and pastures. (It takes a special person for care for equines)

And, of course, We are especially thankful for YOU, our generous donors, whose financial support enables us to continue our work. From the depths of our hearts, thank you! We truly couldn't do it without you!
